About HARC

HARC is a nonprofit organization dedicated to improving the lives of people with intellectual disability and their families. It was founded in 1951 by families, long before community services were available and institutionalization was the only option. HARC is now a strong advocate for civil rights and opportunities, and a major provider of clinical and supportive programs that span the entire lifetime: early intervention (Birth-to-Three), family support, respite care, employment and day services, residential, recreation, behavioral health and elderly services.

HARC is a Community Investment Partner of United Way of Central and Northeastern Connecticut and serves Greater Hartford.
